Enterprise Telecommuting, Remote Work, and Ergonomic Policy

1.0 Home Office Ergonomics and Stipend

Eligible employees receive an annual $500 equipment stipend. Review the OSHA Computer Workstation Ergonomics Guide. Stipend reimbursements are processed via Expensify.

2.0 Secure Home Wi-Fi and VPN Connectivity

Remote devices must not use unsecured public Wi-Fi. Always connect to the Corporate WireGuard VPN. For home router security recommendations, see the FTC Home Network Guidance.
